

Deanery Revitalisation Dashboard – User Guide

The dashboard is an interactive map that allows you to explore the new areas being proposed as part of the deanery revitalisation process. You can explore the current deaneries, the proposed new areas and how these compare with archdeaconry and local authority boundaries. You can look at the whole diocese, as well as zooming in to view your own parish.

Select a parish that you would like to zoom into using this drop down menu

Use these menus to select either a current deanery or proposed new area (using its codename) to zoom into an area of the map
